We are an institute that encourages learning for the students in a wide variety of services. We aim to mirror the atmosphere of a commercial salon and are preparing our stylist to enter the hairdressing industry.

As we are a training salon there are a few things to consider when making an appointment; **time:** students need time to practice and often this will take longer than a commercial salon. **Skin patch tests:** are compulsory for every colour and need to be done within 48 hours of having a colour treatment.

Cancellations: we would appreciate at least 24 hours notice when cancelling an appointment.

Payment: we accept EftPos only.
